IOWA PTA LIFE ACHIEVEMENT AWARD

The Iowa PTA Life Achievement Award is a perfect way to honor those special people who contribute so much to our children and youth. Every PTA and PTSA has many deserving members among its volunteers, teachers and staff. There are individuals in every community who may not be a member of a PTA who also deserve our recognition. Honor those who have made outstanding contributions to children and youth by presenting them with an Iowa PTA Life Achievement Award. This is the *highest honor* a PTA can give.

The cost of an Iowa PTA Life Achievement Award is \$75 and includes a plaque.
